QUILTING & SCRAPBOOKING RETREATS

FAQs:

How much is a 3 day/2 nt retreat?

\$650 + tax (3 day mtg space @ \$150/day plus 2 nts in cabin @ \$100/nt). Thus, for a group of 8, it would be \$82 per person for the entire retreat!

What if we have more than 8 in our group? Sweet Berries Bed & Breakfast has additional space for 8-10 guests in 4 private suites. Rates available upon request. If you need more space, we may be able to sleep others in the house.

What about food?

The house & cabin have a total of 9 stove eyes, 3 ovens, 2 microwaves, two fridges and one extra freezer. Both kitchens are fully equipped with cooking utensils, plates, etc. There are no restaurants or grocery stores nearby. Your group may cook for yourselves or we will prepare all meals for you for \$23 per person per day. Either way, we provide soft drinks, gourmet coffee & creamer, hot and cold tea, marshmallows for roasting, and gourmet chocolates!

How many can you accommodate?

The meeting space is 1,000 square foot in the main room + 500 additional square feet downstairs. The number depends greatly on how much space you want per person. It provides plenty of space for 10-15 including worktables, cutting tables, etc. If you only need chairs, it would accommodate many more.

Is it handicapped accessible?

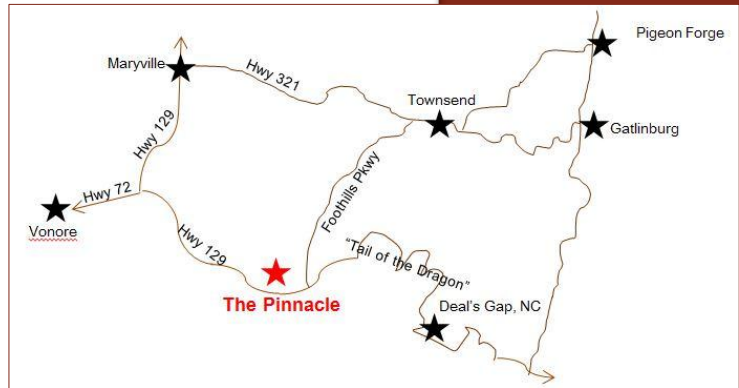

The main meeting space is on one floor with secondary meeting space, kitchen, and bathroom on the lower floor. There is a wooden spiral staircase to the lower floor or you can drive between floors with no steps. The cabin is a short walk or drive down the hill from the main facility. There are two entrance steps. The loft (4 twin beds) is accessed by a spiral staircase. Sleeping for 4 guests and both baths are on the main floor (no stairs).

How do we reserve the retreat or find out more info?

Yes. The rates are \$100/nt for the cabin only and the meeting space rents for \$200 per day. Groups who book the cabin and meeting space receive a \$50 per day discount on meeting space rental (only \$150/day).
